AVNET SILICA

TECH DAY SPAIN:
COMPUTE, ADAPT, ACCELERATE

AMD
together we advance_

AVNET SILICA, AMD & PARTNERS PRESENT A ONE DAY TECHNICAL DEEP-DIVE

Explore the latest advancements in AMD's diverse product portfolio and discover complementary products and solutions from our world-class suppliers.

You'll learn from some of the brightest minds in the business with interactive technical sessions led by engineers from AMD, Avnet Silica, and selected manufacturer partners.

Full agenda is available at the registration page.

Plus win cool stuff! All participants will be entered into a prize draw to win some of the giveaways.

Don't miss this unparalleled opportunity to learn and network at this transformative event that promises to redefine your approach to design.

We look forward to meeting you there.
